Country of installation	<b>Sweden</b>
Commissioning date	-
Country of ACO sales organisation	<b>ACO Nordic AB</b>
Segment	<b>Commercial Kitchens</b>
Subsegment	<b>Commercial Kitchens</b>

**Project information**

Project description	<b>Radisson Blu at Drottningtorget is undergoing extensive renovation. The hotel rooms will be in three different styles and associate with different time periods. Fine materials such as marble, brass, copper and birch should be preserved. Newer features are added. Together with a consultant, ACO has developed a modern total solution for floor drainage in the kitchen environment.</b>
